OCTOBER 2007

Presidents Message

For most of us the final month of the fishing season is at hand. The fishing is still pretty hot, depending on where you fish and who you talk to. I can count the amount of times I've run into blues this year but I know their still around by evidence of the eel cigars I bring in occasionally. I haven't seen much in the way of peanut bunker but I have seen some adults around. Next month the club turns fifty and our awards banquet should be something special. Please see Ruth Temperino to assist in what ever committee needs help. The club took first place and also received a special sportsman award for our booth at the Topsfield fair this year. Thanks to everyone for your help setting up and manning the booth.

JR's Program

The overnighter in Sept. saw a pretty poor turnout. It was a long day with the membership appreciation day taking place earlier in the day which probably had something to do with it. It was just a long day. The next fishing trip we'll go back to how we were doing things during the summer with a fishing trip on Oct. 20th. Meet at Surfland at 5 pm.

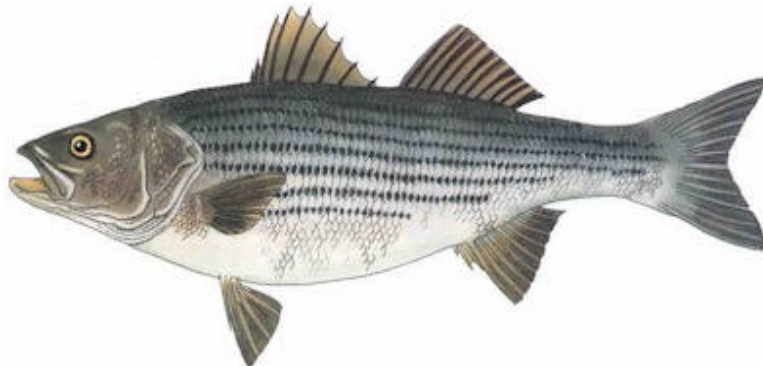

Congratulations to Matt Camillere, Matt took 2 weekly prizes in the Striper Cup, is leading everything in the club tourney, and then I saw his mug in the Fisherman magazine to boot. Keep up the good work.
