SEPTEMBER 2007

Presidents Message

The fishing this month so far has been off the charts. Big fish are being taken up and down the river and on the oceanfront. A fifty four lb. bass was taken on Joppa early Sat. morning. The same boat caught and released a thirty eight lb. fish as well. A bruiser was taken down in Marblehead to win the Leo Almeida memorial tourney over the Labor Day weekend. That one went 42 lbs, from the surf.

The clubs member appreciation day is Sat. the 15th. 7-3 pm. the picnic area at Salisbury state reservation. Hope to see you there. Bring a side dish and come down for some burgers and dogs. See if you can get the latest news.

Everyone good luck,
Kevin

JR's Program

The last trip out in August was a memorable one, not for the fishing(1 or 2 skates) but for the turnout. At fifteen that is the largest turnout for a fishing trip yet. Haley's liked seeing us come too. The next trip is an overnighiter or a fish as late as you want. The guys with beach permits will be staying out. We will be setting up grills for what ever you bring. If you have never driven the beach this is your chance to go out with a group your first time and learn first hand from some of the guy's that have been doing it for years.

Hope to see you there,

Kevin
